6000 Series
Door furniture

Fire Rated: Tested on fire door assemblies in accordance with Australian Standards, refer fire door manufacturer for specific approval details

Legge offers a range of leading hardware furniture designs for commercial and quality residential applications. Legge 6000 Series has a round rose with a wide selection of designer levers to choose from.

The Legge 6000 Series will enhance the standard and elegance of any residential and commercial applications including apartments, office fitouts, hotels, and high end homes.
Features

- Constructed of quality components, with forged brass levers and die cast inner roses
- Levers non-handed, except for Alessandro and Chagall when used as either a half set or half set fixed
- All Legge 6000 Series levers are available in a square rose option by adding the optional outer square rose cap
- Furniture re-handed by simple relocation of stop block
- Heavy duty spring provides a smooth, positive return action of the lever and eliminates drooping, extending the life of the product
- The 10 year mechanical warranty provides specifiers and users with assured quality and performance
- Suitable for use on fire door assemblies when used with fire rated locks and latches
