Available in SILVER only.

Exidor Accessories

Extended Top Shoot Tube

Part Number	Description
EXI325EA-SIL	Lever OAD Euro w/out lock

The Exidor 325 is an elegant lever operated outside access device. Euro profile cylinder supplied separately to allow flexibility of special keying requirements.

Features and Specification

- Non-handed
- Powder coated for durability
- Fixings to suit steel, timber, aluminium or uPVC doors
- For doors up to 65mm thick

Operation

Pushing the bar down into the door face retracts the bolts. The bolts remain retracted until automatically released on closing of the door.

Euro Profile Half Cylinder is required (not supplied).

To be ordered separately.

Available in SILVER only.
