

Assure Lock® Keyed

Lock and unlock your home without the hassle of keys and create unique PIN codes to share with your friends and family.

The Assure Lock Keyed features an automatic re-lock function so that when the latch is retracted, the lock will automatically lock after a specified period of time.

The Yale Assure Lock digital deadbolt can be upgraded with a Yale module (Yale Access, Z-Wave Plus* and ZigBee*) to seamlessly integrate into most home automation and alarm systems.

*Modules are sold separately
