COLLECTION

HANDLES WITH A STORY TO TELL

Castella has combined its mastery in handle design with the unique timbers of Tasmanian Hydrowood to create the Castella Hydrowood Range.

Castella has enjoyed the opportunity to work with this inspiring product and to use specialty timbers that are without question uniquely Tasmanian. The process of ethically harvesting timber from the depths of Lake Pieman results in timbers that cannot be replicated.

RUSTIC TOUCH

With design trends moving toward warm natural materials with the layering of different timbers in interior spaces such as floorboards and furniture, Castella designed and handmade a Timber Collection to meet the growing demand from interior designers for high quality timber handles.

TULLAH

NEW DESIGN 2022

The Tullah range is minimal and stylish featuring round tapered edges and textural timber grains. Tullah is a timeless option that would suit any cabinetry design.
