HANDLES WITH A STORY TO TELL

Castella has combined its mastery in handle design with the unique timbers of Tasmanian Hydrowood to create the Castella Hydrowood Range.

Castella has enjoyed the opportunity to work with this inspiring product and to use specialty timbers that are without question uniquely Tasmanian. The process of ethically harvesting timber from the depths of Lake Pieman results in timbers that cannot be replicated.

SUSTAINABLE AND INNOVATIVE

Inspired by the innovative and sustainable way of harvesting Tasmania's precious timbers, Castella has used this unique timber to manufacture a contemporary range of handles.

MACQUARIE

NEW DESIGN 2022

The Macquarie is handcrafted from Tasmanian Oak and the ideal statement piece to add to your interior project. The soft timber tones work perfectly with any colour scheme adding a touch of warmth to the space.
