HB 690 - 170mm FLUSH PULLS SLIDING DOOR PRIVACY SET - 55mm BACKSET

The iconic Halliday+Baillie HB 690 sliding door privacy set features an integrated push button-activated edge pull for pocketed doors. The operable "snib" (a slide block that acts like a traditional thumb turn) slides upwards to engage the lock. The discrete emergency release indicator pull can be operated with a pen or other object to disengage the lock from the outside.

In double door conditions, for the passive leaf specify the HB 697 Strike Body w/Edge Pull and add HB 660 Flush Pulls where a matching face plate is required.

Backset : 55mm
