MARDECO M-SERIES FLUSH PULL EURO LOCK SET

New from Mardeco, introducing the M-Series Flush Pull Euro Lock. This modern, sleek design is the latest in sliding door hardware. The M-Series Flush Pull Euro Lock is the perfect combination of contemporary style and practicality. The timeless design is available in a range of finishes to make it the perfect addition to any modern property.

Not only is the M-Series Flush Pull Euro Lock stylish and sophisticated, the unique through door security fixing and the self-adhesive EPDM weather seal for the exterior flush pull, ensures both security, and protection from the elements.

Suitable for a large range of timber and aluminium door thicknesses, including exterior and patio sliding doors, as well as any interior cavity sliding doors that need to be securely locked. The M-Series Flush Pull Euro Lock range comes with detailed installation instructions as well as all fixings and templates.

Designed in New Zealand, the innovative M-Series Flush Pull Euro Lock reflects exactly what Mardeco is all about ... quality, design and good service. We believe in looking after our clients and ensuring that they can get the products they're looking for, when they need them.
