

PREMIUM Privacy & Security Gate Latch

- Operates and locks from both sides of gate
- New 'fitting jig' provides easier, faster installation
- New ball-joint Connecting Rod simplifies installation
- Two latch-bolt lengths (models) for different gates
- Requires only one drilled hole through post
- Keyed-alike or keyed different options
- Dual 6-pin locks can be rekeyed to match doors etc.
- Includes 5" & 6" (125 & 150mm) rods (spare if needed)
- Vertically & horizontally adjustable
- Industrial-strength polymer construction
- 316 marine-grade stainless components
- Fits fence posts 1½"-6" (38-150mm) deep
- Minimum post width 1½" (38mm)
