

MAGNETIC DOOR STOPPER RETAINER

DESCRIPTION:

This fantastic magnetic door stop holder system comes with an automatic height adjustment to different distances from the door to the floor. This simultaneously reduces the precision required in the installation stage.

MEASUREMENTS:

FINISH:

- 316 Stainless Steel

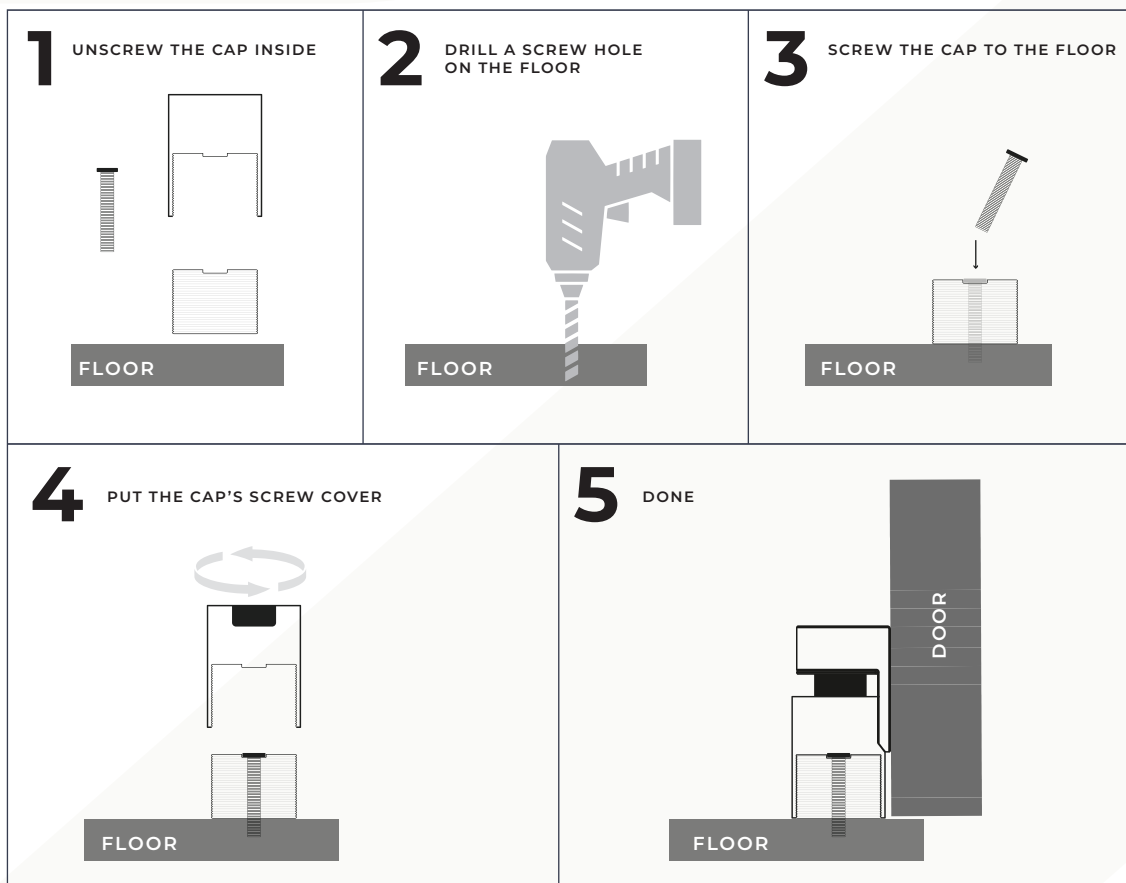

Note: Measurements are in mm

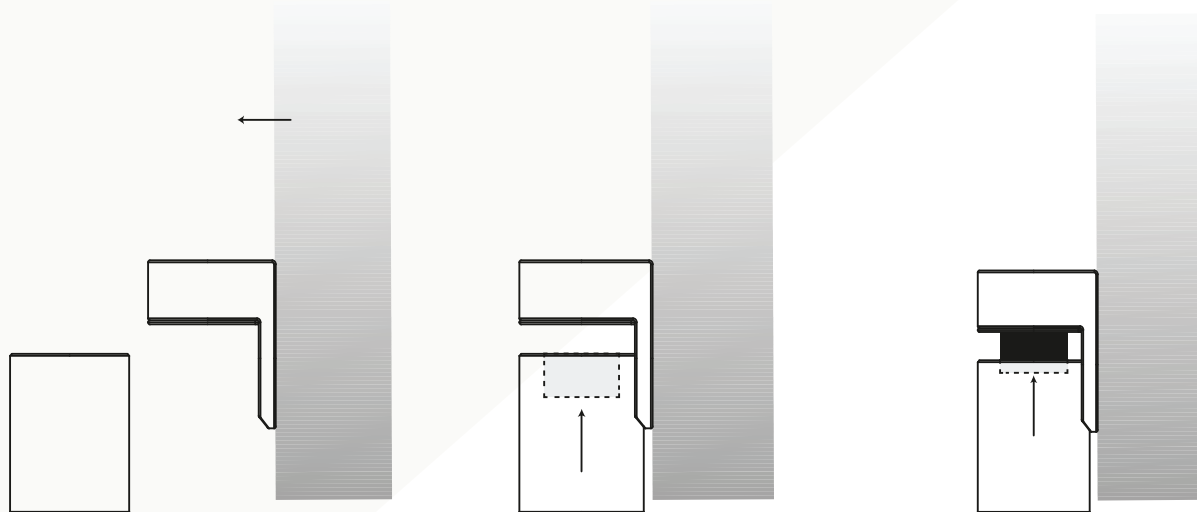

MAGNETIC DOOR STOPPER RETAINER

INSTALLATIONS:

When approaching the door to the stopper, the magnetic rises and slows down the closing speed of the door, until it stops.

Note: Measurements are in mm
