## DOUBLE TURN LOCK KITS

Finishes: BN, SC

### Are you looking for a lock that:

- Wont blow open in the wind?
- Doesn't need to be slammed closed?
- Requires no adjustment when installed?

### Look no further than these innovative lock kits from Zanda.

- A neat, low torque, compact thumb turn action that retracts a positive latch
- Specifically designed for Australian Conditions
- Perfect for windy areas or doors facing prevailing winds.
